## SKIN DISEASE

CURED BY

### Ayer's Sarsaparilla

Mr. Geo. W. Burtner, Keosauqua, Va., writes, as follows:

"Shortly after leaving college, I was troubled with a skin disease which showed itself first at the ankles. Physicians pronounced it eczema, and treated me for that complaint. The eruption crept slowly up my limbs, and on the body, until it enveloped the whole frame. It gave me infinite trouble with constant itching, casting off of dry scales, and a watery liquid, which would

exude from under the scales. I treated it for over three years unsuccessfully, and was unable to check it, until I began using Ayer's Sarsaparilla. I used three bottles of this medicine and was completely cured—my skin becoming as smooth and clear as before."

## THE LEGISLATURE.

THE SENATE WILL NOT EXTEND -SALOON LICENSES.

Representative Richards Wants to Know Something About the Lehua and Her Expenses.

THIRTY-FOURTH DAY, JULY 24TH.

### THE SENATE.

The Senate was called to order at 10 a.m. and prayer and roll call had.

Minutes of preceding meeting were read and approved.

Senator Brown from the Judiciary Committee reported on the bill regarding the acquisition of rights of way through the property of others, which was received to be considered with the bill.

Senator Baldwin from the Committee on Commerce reported in favor of the passage of the new Labor Commission bill. Report received to be considered with the bill.

Senate bills 6 and 8 with amendments adopted by the House of Representatives were sent up from the lower House.

House bill 19, relating to the extension of saloon licenses, with the recommendation of the committee that it be laid on the table, was brought up on the order of the day.

Senator Brown moved that the report of the Judiciary Committee be adopted. He said that if any relief was granted to one class of business men it would open the doors to others and endless litigation might ensue. That the tram and steamship companies and other people would at once put in claims for damages. He thought no distinction should be made. Either compensate all or none.

The Attorney-General thought there was a difference between the saloon and other business men, both in regard to the time they were closed up and the amount of licenses they had to pay. He wished it understood he had no personal opinion on the matter.

The report was adopted unanimously and the bill met its death blow.

The Act to regulate the acquisition of rights of way over the land of others was next taken up on the second reading, together with the report of the Judiciary Committee.

Section 1 was adopted as amended.

For section 2 the committee recommended a substitute which was passed.

Section 3 as amended by the committee passed, as did section 4. The bill then passed its second reading as a whole and was ordered engrossed.

Senate bill 6, making supplementary appropriations, as amended by the House was next taken up.

The amendment inserts the item of \$2000 for the pay of the Land Agent at the rate of \$3000 per year. The Senate concurred by a unanimous vote.

Act 8, supplementary as appropriations, was next taken up as amended by the House. The item of \$16,650, an increase from the \$3000 adopted by the Senate for repairs to school-houses, was first under consideration.

On motion of Senator McCandless all the amendments to the bill were referred to the Finance Committee.

Senate bill 15, relating to the Labor Commission, came next on the order of the day. It passed

its second reading and was ordered engrossed.

At 11:25 the Senate adjourned to Thursday.

### THE REPRESENTATIVES.

The House met at the usual hour and the usual opening exercises were had.

A message was received from the Senate relating to the Joint Resolutions passed yesterday.

Rep. Bond from the Committee on Public Health and Education reported in favor of passing the Foot Binding bill with an amendment defining the offense.

Rep. Richard submitted the following questions to the Minister of Finance:

"When was the steamer Lehua chartered by the government?"

"At what price?"

"What is the total amount expended by the government in connection with steamer Lehua until turned over to the Interior Department?"

Rep. Kamaoha presented a majority report on Act 16, regulating appeals from District to Circuit Courts, recommending an entirely new bill. The minority report recommended that the old bill be laid on the table.

On motion the majority report was accepted, the rules suspended and the bill read the first time. Ordered translated and printed.

Rep. Kamaoha moved an amendment to Rule 22 that joint resolutions be treated as bills, and the ayes and nays called thereon, except that only one reading be required. Carried.

The joint resolution fixing the compensation of the present labor commissioners was referred to the Committee on Public Lands.

Senate bill 5, appropriating \$8300, was taken up on its second reading and passed as read.

On motion the rules were suspended and the bill put on its final passage, and passed by a unanimous vote.

Senate Bill 11, to prevent foot-binding came up and the minority report was adopted. The bill passed its second and third reading under suspension of the rules.

Senate Bill 5, supplementary appropriations, passed its second and third readings also.

At 11:40 the House adjourned.

### Some Fine Stock.

Trainer N. C. Goodwin, who has charge of the Macfarlane horses at the race track, was in town this morning behind that fine 4-year-old stallion Marin. Hitched alongside he had the fifteen months' old bay filly Nutgrove, her first appearance on the public streets. A few days since Mr. Goodwin drove in single harness the young filly Twinkle, by Nutwood out of Twinkle, Sr. The latter mare is now at San Jose, Cal., where she has been bred to the fine horse Dawn. Clarence Macfarlane is to be congratulated on the ownership of such promising young stock, and on their careful training. Nat. Goodwin says he believes in training horses by kindness and education and not by breaking them into submission.

### Labor Commission Bill.

The Labor Commission bill now before the Legislature provides that the three commissioners shall serve without pay, but are authorized to employ a secretary and fix his salary; also stenographer and type writer when required. It provides that no expense shall be incurred for travelling beyond the limits of the Republic, consequently Mr. Armstrong will have to pay his own expenses when he goes to Japan or elsewhere abroad.

### JUDICIARY JOTTINGS.

Money Left by a Mechanic—Bill to Cancel a Deed, Etc.

John H. Paty petitions for letters of administration on the estate of E. S. Coffin, a native of Nantucket, Mass., who left about \$2110 in cash, \$2000 being in the Hawaiian Postal Savings Bank, and whose heirs are not known to the petitioner. The deceased was an employee of Lucas' planing mills for many years.

Thomas Nott vs. Agathar T. Nott and David Dayton, guardian of A. A. Doiron, bill to cancel a deed, has been argued and submitted before Judge Cooper. Robertson for plaintiff; Carter and Kinney and Ballou for guardian. The plaintiff and his wife, the first named defendant, previously brought a petition for cancelling the same deed. The ground was that the signature of the wife to the deed, before her marriage to Nott, was a forgery. This not being proved the petition was dismissed. The husband now brings the bill against his wife and the guardian of Doiron to whom she gave the deed.

Default was set aside by Judge Cooper in Aswan vs. Pang Lum and others, the case reopened and the defendant given five days in which to answer.

A unanimous decision of the Supreme Court has been rendered, over-ruling exceptions of Hang Cheong, convicted of perjury at Wailuku. The ground of decision is that where an admission of an act—in this case buying liquor from an unlicensed dealer—is followed by a promise, on the part of a police officer, to "do the square thing" by the one who made the admission, it was no error not to exclude the admission as evidence on the trial for perjury. A. M. Brown for prosecution; Rosa and Hartwell for defendant.

### THE MARSHAL MULCTED.

An Informer Recovers Judgment For Fees On An Opium Seizure.

J. A. McGuire brought suit in the District Court to recover \$113.05, as his share of the proceeds of an opium seizure, against Marshal Hitchcock, who admitted that he had that amount in his hand from the seizure of opium found in the possession of T. E. Evans. The seizure was made by W. J. Sheldon, an employee of the Custom House, on information received from McGuire in April, 1891. After hearing the testimony of Sheldon, G. E. Boardman, the plaintiff, C. B. Wilson and others the Court yesterday rendered judgment for plaintiff for the amount claimed and costs, in all \$127.67. J. A. Magoon appeared for the plaintiff and L. A. Thurston for defendant. An appeal will be taken to the Circuit Court.

Mrs. J. Hoting and daughter returned home by the Kinan. Mr. Hoting, who is much improved in health, remains on Hawaii for a few weeks longer.

Mrs. Catherine O'Leary, owner of the cow which on a memorable night in October, 1871, kicked over a lamp and started a blaze which cost Chicago \$190,000,000, died on Wednesday of acute pneumonia.
